

Candidate Statement: Linda Brockway

I have been a member of the National Association of Housing Cooperatives (NAHC) Board of Directors since October 2000.

I have acted as board treasurer since October 2006, and chair of the Member Services Committee since October 2009. I also serve on the Finance Committee, the Roger Wilcox Library Committee and the NAHC International Committee. NAHC is now a member of the International Cooperative Alliance and I have been working exclusively with Nicholas Gazzard on the Cooperative Housing International Committee.

I have been an active trainer for the NAHC since 1991, and have been involved in overseeing the governance, pay-off, strategic planning and other classes serving our members.

I have also been a trainer for the Midwest Association of Housing Cooperatives, the National Association of Housing and Redevelopment officials as well as a lead trainer for the U.S. Department of Housing and Urban Development. I have also been active as a speaker for NCBA CLUSA.

After attending NAHC, NCBA CLUSA and NASCO conferences and speaking to these organization's members, I truly believe that by serving on the boards of both NAHC and NCBA CLUSA—while also working with NASCO—I can assist in developing programs that will serve the members of NCBA CLUSA. My experience as a public speaker and nationwide consultant on economic development will enable me to be an active and productive member of NCBA CLUSA's Board of Directors.
